DID YOU KNOW?

- 66% of employees are financially stressed; nearly half lose 3+ **work hours** per week on finances (*Bank of America, Morgan Stanley*)
- Employees under financial stress are 2x more likely to be job-hunting (*PwC*)

WHAT THIS DELIVERS

For Employees:

- A durable hardcover leave-behind they'll revisit at every life stage – not a handout to forget.
- Zero sales pitches – just education.

For Employers:

- Retention & focus: less stress, more engagement – not hours lost to money worries.
- Benefits utilization: employees use match, HSA, autosave – not leaving free money unused.

FEEDBACK FROM ATTENDEES

- “A simple, easy to digest roadmap on how to be in the driver seat with your finances.”
- “Loved the 50/20/30 rule. Will start implementing that in my budget!”
- “Thank you for making financial concepts easy to understand. I also appreciate that you did not try to sell me a financial product.”

Presentation Overview:

- 25-min keynote packed with insights
- 25-min interactive Q&A
- Book signing (if requested)

Illustrative ROI:

- If 50 employees each reclaim 30 minutes per week:
- 25 hours recovered weekly
 - At \$40/hour loaded cost, that's \$1,000 per week
 - A \$3,000 session pays for itself in <1 month
